

CERTIFICATION OF REFRESHER TRAINING FOR RENEWAL OF CLASS AND TYPE RATING

In accordance with AMC1 FCL.740(b)(1)(c)

NOTE:

- This document is to be presented to the examiner, prior to a proficiency check for the renewal of (an) expired rating(s).
- The original is to be sent by the examiner to the Civil Aviation Authorities issuing the renewal of the license and/or rating. The ATO shall keep a copy of this document in the student's pilot training record.
- Prior to the beginning of the renewal training, the ATO will assess the status of the license and ratings of the candidate. An assessment of prior flying experience, recency of the expiration of the rating(s) and assessment of remaining competence, will help to determine the amount of training required for the student.
- It is the responsibility of the ATO to ensure the candidate is retrained up to proficiency prior to the proficiency check
